

Hi-Speed Internet Services

Increase the overall competitive attractiveness of your Apartment or Condominium Complex by bringing eSuite High Speed Internet Services to your facilities.

Join the many condos and apartments that have partnered with eSuite. There is no cost to your organization or to your Condo Corporation. We invest all the capital required to bring these services to your building(s) and your residents will enjoy Internet at rates over 40% below other major suppliers.

Your residents receive:

- Fast reliable High Speed Internet services.
- Savings of over \$250 annually compared to similar competitive services.
- Personalized Customer Service.
- Flexible terms. No long term contracts, 30 day terms for all services all the time.
- Free on site installation.

Learn how you can have eSuite brought to your building(s) today.
